Sir:

A Request to Rescind Previous Nonpublication Request was filed December 2, 2002. Attached hereto is a Request to Rescind Previous Nonpublication Request which supplements the December 2, 2002, filing. The need to file this supplemental request is because the first request was inadvertently made using an older U.S. PTO Form PTO/SB/36, no longer effective as of this date, which omitted language relating to "the notice of a subsequent foreign or international filing..." The new form (PTO/SB/36 (08-03)) has been updated by the U.S. Patent Office to now include the language relating to "the notice of a subsequent foreign or international filing...". A foreign filing was made and the original form was filed within 45 days of the foreign filing date.
